**Notice of Possible Fee Increase on October 1, 2002**

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2002, then the amount due may be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there may be an increase in fees effective on October 1, 2002. See Revision of Patent and Trademark Fees for Fiscal Year 2003: Notice of Proposed Rulemaking, 67 Fed. Reg. 30634, 30636 (May 7, 2002). Although a change to the amount of the publication fee is not currently proposed for October 2002, if the issue fee or publication fee is to be paid on or after October 1, 2002, applicant should check the USPTO web site for the current fees before submitting the payment. The USPTO Internet address for the fee schedule is: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of any fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after October 1, 2002 (or mailed with a certificate of mailing on or after October 1, 2002), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

The specification has been amended, claims 1, 10, 15-22, and 28 have been amended by the amendment after final dated July 1, 2002.

Upon a further consideration of the subject matter being sought in non-elected claims 27 and 28, the restriction requirement between claims 27, 28 and the presently pending elected claimed invention has been withdrawn by the examiner. Thus, claims 27 and 28 have been rejoined to the elected claimed invention.

#### ***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Konskie on September 18, 2002. The examiner further indicated to applicant's representative that all presently pending claims are allowed in view of the examiner's amendment so as to clarify the proper antecedent basis intended for the claims. Note that claim 2 has been amended to be consistent with the amended language as cited in the amended claim 1.

The claims have been amended as follows:

- Claims 24-26 have been canceled.
- In claim 27, <sup>line 1</sup> the word – micelle – has been added between the word “cisplatin” and the word “of”.
- Claim 2 has been rewritten as follows:

D

2. A method of producing cisplatin micelles, comprising:
- a) combining a suitable buffer solution, cisplatin with an effective amount of at least 30% ethanol solution to form a cisplatin/ethanol solution; and
  - b) combining the cisplatin/ethanol solution with a negatively charged phosphatidyl glycerol lipid derivative wherein the molar ratio between cisplatin and the lipid derivative is 1:1 to 1:2, thereby producing a cisplatin mixture in its aqua form in micelles.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications regarding the formalities should be directed to Patent Analyst Dianiece Jacobs, whose telephone number is (703) 305-3388.
